Hot Lunch Program – MN State Visit

The Meal Program for FLS was reviewed by the State of MN on Wednesday, February 24th. We had a very good review & we were all very pleased with the results. The closing Oral Review went very well with just a couple of minor items that need correcting. We have not received our written review at this time but that should be here soon. We are meeting the state guidelines and that is always our goal.

Mark your Calendar
